

“Whenever the next emergency comes our way, being armed with the right tools and knowledge can save lives. That’s why we do what we do!”

—Sherwin Levinson
Executive Director MRC GEM

OUR MISSION

Our mission is to augment existing community health operations during large-scale emergencies, aid in response to pressing health care needs, and improve community emergency preparedness.

WHY JOIN US?

We never know what emergencies tomorrow may bring! By becoming an MRC GEM member, you can benefit from extensive, free and ongoing training in order to be prepared to help yourself or give a helping hand to others when it is needed most.

Open up and learn more about how you can be involved!
